“ *Mother Jackie Jones was a great lady who loved everyone. I remember sometimes I would drive her to the bowling alley and sometimes take her home...I will always remember going to the store for her to get Sprite pop for her. Just the little things, but they were great because the time I was fortunate to spend with her. My condolences to the family and God Bless You All.*

“ My condolences to the entire Family. When I first moved to the area from out of town Kim and her mom took me in as if I was family. I had a hard time fitting in and at one point I was with them all the time. I will never forget spending a entire Mother's Day with her. She was my 2nd mother. This was definitely a great lady! I am sorry I can't make it to the services but please know I am there in spirit. Love and Blessings, Tamara Harrison

“ Well Aunt Jackie we have so many memories. But one I do remember is how we use to sit up and have our talks and be belly busting laughing. This is so unreal. But just know that I love and miss you so much. Until we meet again.
