“ I have so many memories of Butch and my brother Dean playing, building forts, riding bikes and any other mischief they could get into. The Cooper and Kurtz kids spent a lot of time together as kids, so my memories of Butch will always be fond happy ones of the fun and energetic kid he was. I pray for comfort and peace for you Nancy and all of his precious family. God Bless you always. <3

“ I remember when Nancy and I were like best friends and you were a lil brother who liked to taunt her, ha ha is that not what brothers are best known for? Wish we could have grown up as adults together only to see that you became a great man, brother, son and father! Rest in peace!
