“ Our heart breaks for the Finney family. Bro Finney was such a kind-spirited man who always had a smile to share. He was a great adviser to us on gardening (and cooking the items from the garden). He will be greatly missed.

“ *What I remember most about James was his wonderful smile. He was such a gentleman. Whenever I went by their home to share food I picked up during the pandemic he always wanted to help me take boxes out of my truck and bring into the house. I always told him I could manage, but sometimes he would come out to help anyway. He appeared to be such a loving husband to Sue, and I know he will be missed. Rest in peace my brother.*

How do I know James made you happy Sue Carol, I only had to look at you to know and I'm glad I had those many times to just say HI to James when I talked to you on the phone. I know and understand your pain and the deep void so I'll just say we all will see you on the other side James. Not good bye. Denise Cobb and family.
