“ To my loving family and friends I am truly hurting right now knowing that my brother and good friend has gone away. I know that he no longer has to suffer anymore and that he's in a much better place in his mothers arms. I will forever pray for his biological sblings, and his other close friends that truly loved him for who he was and not what he had or could do for them!!!! Jr. was someone that loved hard but was very ginuwine when he cared for you and would give you whatever he had to make sure you were ok, he was not only my hairstylist but, he was my brother and in school I was the only one who could keep Jr. in line....hahaha. Peace be with you and I love You!!!!Mookie
