“I have known James since the early 70s, and is someone I called friend. Although James and I were on different ends of the doe trim

I have known James since the early seventies and is someone I called friend.

My favorite memory of James is sledding at Murphy park with his grandsons Patrick and Dontae and my daughter TeSha. Although my heart is sadden to loose my friend, I know in my heart he is with our Father. I pray the family will find comfort in knowing he has transcended all pain and limitations of this life. *Have you ever met someone and as soon as you sat down ... And you began to talk, you felt a "vibe", you felt good!
And the next time you saw them, the same thing happened. And before you knew it, it didn't matter if it was a day or a month or maybe even a year. When you saw him you loved Him, You knew Him and He became your Uncle your Brother your Elder & Your Friend...
May God Continue to Care for You
See You On the Other Side
