“ *So many memories of when we were younger and I was the Older Cousin over all you little whippersnappers--LOL! You were also known as Toady, because you hopped around a lot and walked on your toes, and had the most beautiful hair (that Uncle Ed refused to let you cut until you turned 12, despite your having a broken back and having to wear a back brace before then!). The years and circumstances separated us, Janie, but I'll never forget your kindness when I was undergoing my divorce and others ostracized me in 2003/4. You didn't--and I will always remember that! Rest in peace, and know that someone cared. Love, Wendy*
