“ *Aunt Janice Rue was loved so immensely deep in my heart. She was an aunt that I could go to with anything and talk to and spent much of my time at their house on center Street with the boys. She certainly loved her blues, and I always loved being in their home listening to the croning of these singers she played on LP or 45. May God greater the wings necessary to elevate her to a new life beyond this realm where she now finds peace and may the Lord also be with each and every one of my cousins in their loss. Love you, and will miss you*

“ We cannot know what lies ahead from day to passing day. What changes God is planning in his wise and loving way.  
We cannot know the reasons he allows both joy and tears why we should lose the precious ones we've cherished through the years. We cannot know but remember God is always there to keep and comfort you. May her soul rest in peace.
