“ My deepest sympathy to the family of Jay Robinson. On behalf of the brothers of Omega Psi Phi, Sigma Chapter, we, like you, will forever miss our family member and brother. Jay was one of a few brothers that lit up the room when he arrived, we knew he was there and couldn't wait to see him. Can only imagine the lives he's impacted including his family and many friends displaying the principals of OPP. He can now wear his old gold and royal purple robe with humility and dignity, in Omega Chapter. “and when we say our last goodbyewe'll love Omega Psi Phi”

“ My condolences to Claire, Tamika, and the entire Robinson family. Tamika (Tammy) and I have been best friends for 37 years. JJ was like an older brother to me. He looked out for me the same as Tamika and he was always there to hand out stern course corrections when he thought we were headed down the wrong path 😞. He was always quiet but when he spoke you listened because he never wasted his words. I truly appreciate the way his relationship with Tamika grew as they both took on the challenges of taking care of ailing family members together over the last several years. JJ was an amazing person to those who knew him and he will be deeply missed. Rest in Power big brother!!💕—Your bonus sister, Tai
