“ Five Minutes

In Memory of My Dad

*If I only had five minutes the day you passed away,
I would have had time to tell you all the things I needed to say.*

I never got to tell you how much you mean to me.

*The last time that I talked to you
I wish I would have known.
I would have said I love you,
and kept you on the phone.*

*If I only had five minutes,
the morning you passed away,
I'd give you one last hug so tight and see your great big smile.
I'd tell you that I don't think I could live without you,
not even for awhile.
I'd kiss your cheek and take your hand and tell you it's okay to go
And tell you that I'll miss you,
more than you'll ever know.*

*But you were gone so quickly,
Before you even knew it,
you were standing at heavens gate.
Now God has called upon you,
It's time to get your wings.
To leave this life behind you,
And enjoy all of heavens beautiful thing...love you always your
daughter Erika*
