“ To the family of my dear friend from work. I will truly miss your mother, I have missed her since she left awhile ago. I didn't realize how sick she really was. She was one of the great people who always went out of her way to make sure everything was okay. When I had cancer she was my lifeline here at work. She will be missed by me so very much. May we all meet again in the light of the Lord. My prayers are with your families.

“ *Jerri...my Flagstar bully as I liked to call her...always chased after
me or hit me with a loving tag or something that showed the way our
friendship was...We bantered back and forth on a day to day basis
at Flagstar where we both work....Jerri always had a smile on her
face no matter what...I could be having a bad day and she would
turn my frown upside down whenever I saw her...I will miss you my
friend....Love Felicia*

“ When we heard of Jerri's passing yesterday you could hear a pin drop on the floor. We were so shocked. Jerri was truly a good hearted wonderful person. When my mom passed a few years ago Jerri would come over and make sure I was alright on a daily basis because she understood what I was going thru at that time. It was a good feeling to know that I had co-workers that cared about my well being in my time of need. Jerri will truly be missed around this bank. She always had a way of making you laugh. She is in a better place now no more pain, no more medicine, no more doctors. The Thomas Family will be in my prayers. Remember to always look to GOD and he will guide you thru anything.

“ It's hard to believe that my sunshine is gone. As days go by, I sit and think about all of the good advice that you've given me over the years. I am thankful that raised me to be the man I am today. Just a chance to hear your laughter would make me feel so much better. But inspite of everything I know that you will be with me everyday from sunrise to sunset, and you will always be in my heart, with nothing but love, and just know that Keane and I will get through this with you in mind and in our hearts. And most importantly I will never let "Grannys' Puddin" forget you. LOVE ALWAYS, MIKE & CIERA

“ To Ms Jerri Thomas & family, BKA MS Parker to the few of her Flagstar family who got to know and lover her really well. I miss you so much, words can hardly say as I cry typing this. If you really knew Ms. Jerri, she was such a loving and caring person. If you needed anything she would be the one to help you find/get it. Ms Jerri called every week to see about me when I was off work sick for 6 months. She sent me cards and money to make it though those tough times. She always had a way of making me laugh when she come to my desk in the bull pen. She could always tell when someone was down and needed a hug or a pat on the back. I remember last seening her when she came to pick up her things from the Flagstar lobby. I hugged her so tight I didnt want to let go, while telling her God know what's best for us, when we dont know ourself. Ms Jerri will trully be missed by many family and friends, but her big smile, sweet hugs and loving heart will never be forgotten....Rest In Paradise Luv Always Kasandra

“ To Jerri's family please know I am very sorry for your loss. She was definitely one of a kind and can never be replaced or forgotten. She was like my second mom always there ready to listen, give advice when needed and just always there for support. Even a 1000 miles away when I lived in Texas she always kept in touch with me and always asked if we were doing okay. We talked so much about her sons and her grandkids. She was a very proud mom and grandma. I first met her at Flagstar in 2001 and we became friends and have remained good friends ever since. She always had my back no matter what and for that I will always be forever grateful. I miss you soooooo much but I know you are in a better place and smiling down on us.

“ Jerri,

I will miss you way so much. That is hurts. When you would come down the first thing in the morning, I knew I was going to have a laugh. You would come around the corner and yell out, hi sissy and I would yell the same to you. It was an honor to call you sissy. You made me laugh to no end, to the point of tears most of the time. I will miss that. Because someone needs a person in their life like you. You will be forever in my heart. I Love you Sissy. My prayers go to your family who I know you Loved so much.
