“ My condolences to the Butler family. Mr. Jessie Butler was a good man. He was so friendly and he always waved when I drove by in my car. I had a small business where I sold cosmetic items, his wife was one of my customers and I am also one of their neighbors. I loved talking to them in their kitchen and in the summer time, they would show me their flowers in the front yard and beautiful vegetable garden in the backyard. Mr. Butler gave me tips about certain critters that eat gardens and how to get rid of them. I will truly miss him. God bless the family.
