“ *Gone too soon! We often wonder why we have to go through so much pain....This is my question when I hear about someone so young getting killed or even dieing from an illness. It just sadden my heart. I do want to let the family know that God is so Good and his goodness goes without saying. It is something we all do not want to go through knowing that these are our children. May God keep you all in perfect peace and knowing that time does heal all wounds. Keep the faith and remain Prayerful knowing if no one else have your back God surly has it. Stay Strong and I will continue to Pray for you.*
