“ *Dear Family: Please accept my condolences for the passing of your dear loved one. When someone we love passes away, the heartaches and grief can be great. I hope that you can be comforted knowing that Our Most High God, Jehovah cares for you and sees your pain (Psalm 147:3). And may it also comfort you to know, that God will "swallow up death forever and wipe the tears from all faces" (Isaiah 25:8).*

John was perhaps one of the nicest people I have ever known. I remember how he was always talking about his family and how much he enjoyed spending time with them. He always talked about going back to St Louis to take care of his mother that just shows what type of person he was always thinking of someone else.

Mr. Boozer was s great person full of humanity. I have worked with him for a many years. All those years he always greeted me with "hello my friend.". I have never seen him angry or express any unkind word towards anyone. A very positive person, always calm and at peace. Continue to be at peace-- my friend. You are going to be missed.
