“ I miss you so, so much. There isn't a day that goes by that I don't think about you. I'm beyond grateful to have known you in this lifetime. To have shared memories, laughter, and moments that I will cherish forever. You touched my life in ways I can't even fully put into words. I pray that our souls find each other again, somewhere, somehow. Until then, I'll carry you with me in everything I do. I love you always and forever. I will always be your black beauty ❤️
