*Dear John & Family,  
Our families were friends & we grew up in our beautiful rural Virginia. It was a joy to have a "home boy" when I moved to Michigan. I enjoyed our visits & your family. Your face & bright smile was always there offering comfort when we lost a family in Pontiac. You've earned your wings & I think of you as now joining your Marie, your dear mom & dad, Billy & all those dear to you. You were a kind, pleasant man; rest now. We'll see you in the rapture. Our deepest condolences to all of the family.*

“ Dear Ronda and JoAnne,

*I'm sorry for the loss of your father and my Uncle John. He was the sunshine of the family and he will be missed. We enjoyed great times together at the horse race track and sitting around talking about anything. It was his joy and hobby. I really loved Uncle John for showing me how to manage my finance and live in Detroit. I learned fast from him and I was able to do a lot of great things in my life. Uncle John and Aunt Marie were great teachers of life if you wanted to listen and learn. God bless them both. They are together now and their spirit of love 💕 will live on in our lives. God bless you and your growing family during this time in the celebration of your Father and my Uncle John C. Hill's life. 🌅🙏*

“ Dear Ronda and JoAnn,

*We will be praying for you and family because we will surely miss cuz John. He was faithful to check on his family and I remember him coming to see Aunt Dollie/ my mom. As time goes on and we all get older let's not let the years go by without keeping in touch via at least phone. We hope that his joyous days are recalled to give comfort. May God strengthen you and continue to hold you up.

“ *My Dearest Cousins Rhonda and JoAnn: There is no greater loss than a parent especially your father. John was a wonderful cousin, friend and family member. John wanted you to know that you were welcome in his home and loved. We shared many a family discussions (some tough and many funny ones), danced and laughter together. John and Marie were very welcoming to me in my journey as a teacher. They both always kept the welcome mat out for me during the harsh winter months in Michigan. Rhonda and JoAnn, you are in my prayers as you travel this final journey with your dad. He is at peace, back with Marie in the loving arms of our heavenly father.*

*Love Tish, James and our entire family*
