“ John was/is the best barber I ever had. I always enjoyed going to the barber shop with my dad every other Saturday enjoying his company by making us laugh, especially telling us his past stories that were hilarious. It was also nothing like seeing him finishing up some catfish nuggets and fries before going back to cut hair. I thought he had more years to come to continue cutting hair, and that he would possibly retire on his own terms. No one can ever replace John and he will be missed.

D'Angelo Hirsch - March 31 at 03:43 AM
