“ Johnell (and family)

Clearly, there are no words for such a loss. There is so little comfort, regardless the source.

There is only pain; I know.

Johnell, I am so deeply sorry and can only hope the very best for you and your family during this time.

The sun will shine again, one day. ..and it's warmth will serve as a reminder of your son's love.

God Bless Johnell.

“ *Johnell, Although I have only known you for a short period, my impression of you is that you are a man of character and faith. God intrusted you with your son because he knew he would here for such a short time and that you were the right man to make him ready to see him. Sounds like you did a great job. Take comfort in knowing that he is back with his original father...God bless you and your family.*
