“ To all of Nettie's family. You are all in my thoughts and prayers. I had the honor to visit with her on Monday. She was alert to know that I was there eating a piece of popsicle. I loved Nettie as she spoke through her heart and the truth. We had many years together. I miss St. Joe's because of people like her. To her family, you have all been a rock for her and I know she was always there for all of you.
As a priest friend has told me and I say it every day: To want them back would be selfish as they are the ones suffering.
Love, Prayers and God Blee You all.
