“ Dad, it's been a while yet the hurt inside never goes away. I think about your life and how it managed to slip away. I remember the time at work when you had a heart attack and you told me you way a blanket of white and that you stayed but the last one mom said your legs ran while you sat. Did you choose to give up and not fight did you wanna leave is this what life is is a moment then you forever sleep. I think about how you left your grandkids and I have another on the way hes a boy a boy youll hopefully watch over. I love you dad rest in peace I'll see you again in the next life along with my sister I miss you all so much.
