“ *Joe you are missed so much! I just stopped in to riverwood to check on you and let you know how I am doing and found out you returned home to god. It hurt my heart knowing such a great man is gone. I honestly don't know where I would be without you today. I don't think I would be living. After 10 years of going through counselors I finally found one who had the street smarts I did and would call me out on my BS. You were always there to comfort me in my hard times and gave me the best advice from your life experience. From the moment I met you I knew the kind of person I wanted to strive to become. I never thought moving out to the sticks from Detroit I would meet someone like you in Niles Michigan. You were and always will be my role model. The life I have now is thanks to you. I got my kids and family back I became a certified recovery coach and will continue until I become a counselor so I can save people the way you saved me. I love you Joe and I will continue praying for you and your loved ones. You touched so many hearts and are missed tremendously*
