“ Mrs. Josephine I still can't believe that you're gone. You were the only person that ever gave me keys to an apartment before I paid the rent and deposit, You took to me and my family and treated me like a real daughter. There was never a time that I needed you and you didn't help if you could. I have so many fond memories of you that it helps to recall them. I never could beat you and your grandkids at cut throat spades. Yall used to take all my money. Lol... Go ahead and take your rest and save a seat for me.
