“ *Joyce was just such a remarkable and giving person. She always had a smile on her face. Her whole life was devoted to service to God and the needy and the community. Joyce was very involved in my family's life growing up, and always treated us as one of her own.*

One of my fondest memories was seeing Joyce at Randy's Food Market in Pontiac, a family owned business my dad owned and operated for several years. She always offered to run errands and offer a helping hand. She was a staple in the city of Pontiac. She made a difference in the lives of so many people.

My family didn't see much of her over the years, but we kept in regular contact. We never forgot her kindred spirits, our deepest sympathies goes out to Francis, Red and family. We are thankful to have had the opportunity to know Joyce.

“ Ms. Joyce Allen was trailblazer in the City of Pontiac, Michigan. Whatever task she was involved in, was always a success wrapped in love and a little humor. As a consumer advocate, she trained me very well while I was in the capacity as a Case Manager with United Way of Oakland County; which I was grateful of her embracing me. Also, while being under her guidance she would always remind me of the great impact that my maternal grandmother, the late Mrs. Odell Moten had in her life. With that being said, Joyce Allen was passing the torch with the emphasis of caring for others and to be a successful and professional role model. Our entire community will certainly miss her swift character and the "Fabulous Hats" that only she could wear.
