“ We're sorry we never got to meet Judy, but felt we knew her through her loving daughter Dee Dee. Dee Dee is very creative and loves crafts, now we know where she got that creative spirit. Dee Dee was always anxious to talk about her mom and what crafts they were doing. I'm sure Judy is tending a garden or painting and keeping an eye on her precious family, all from God's loving arms.

“ *Judy always had a smile on her face. She always tried to see the good in everything and everyone. She loved life and truly loved her family. Judy always made everyone feel welcome. I talked to her about two weeks before she passed and she was still looking forward to the future and possibly going to Florida next year. She will be missed.*

“ Momma Judy you will be so missed. I love you and miss you already. I am so thankful I got to see you at the open house. I have tons of memories from us as little kids and all growing up. Us girls having sleep overs ..and DeeDee hating oatmeal in the mornings at my moms and she would hide when we were in trouble lol all us kids getting to stay friends even after you guys moved. DeeDee has been my best friend sense diapers and we still are. And it's all thanks to you and my mom being best friends. Your words of wisdom when I needed them and even the words and advice when we thought we all knew it all and straight talk to get it together. I love you & miss you. Heaven gained another ANGEL to soon 🙏 Love always Michelle & Justin.

“ You are a blessing that was brought into my life when i needed you most. You and your family and Deedee are a blessing to me. The day we met was 25 years ago in June. You hugged me on our first meeting and I felt that instant motherly connection with you. You have not stopped loving me or mothering from that day on. You thanked me for being a great friend to Deedee and i hope that I have done my job. You told me awhile ago that you were proud to hold my babies in the place of my mom and you did just that. They love Grandma Judy. I hope your all up there laughing together and having a good time like you have your whole life. I love you more than you know. Love Kathy

“ My heart is broken. Prayers and thoughts to John and Connie and Judy's unwavering support family and friends. Judy would tease me about being the older cousin, I'm March 10th and she is May 10th. I remember so well all those wonderful years on Guthrie in Royal Oak. Living only a few houses from each other we were play pals. Of course there were the tap lessons at Beth DeMarc School of Dance on Woodward Ave. We have photos to prove we could really dance to Ball-in-Jack!! I've never met someone so determined to live life to it's fullest even in the face of an unknown future. We lost track for a few years that I truly regret but were able to reconnect and what a joy that was. So, to my beautiful cousin Judy, I love you girlfriend and will always treasure your memory.
Your loving cousin,
Annet

“ Dear John, David, Kelly, Dee Dee, Connie, and family,

May God bless all of you, especially during this sad and difficult time. I know our precious Judy is in Paradise and thank God that her suffering is over. She fought a valiant battle and we will all miss her terribly. I can close my eyes and hear her engaging laugh that could fill a room with joy. Rest in peace my dear cousin.
