i am just hearing about Judith, wow this is so sad. I have worked with her on numerous political campaigns. She was so dedicated and devoted to ensuring her candidate won the election. She loved Pontiac. Rest in heavenly peace Judith aka Judy. You are going to be missed by many I will always remember her beautiful smile that warmed many hearts.

I never met Judith, but I felt like I did through the details expressed by her sister Paula Horton in such a wonderful obituary.. What a way to live life to the fullest. To the family, you have been blessed by her presence in your life and others through the testimony of a person who shared sun beams that warmed their hearts. The many testaments of love are proof of the profile of a spirit representing what Jesus is all about.
