“ Donâ??t think of her as gone away-  
Her journey has just begun  
Life holds many facets  
The Earth is only one  
Just think of her as resting  
From the sorrows and the tears  
In a place of warmth and comfort  
Where there are no days and years  
Think how she must be wishing  
That we could know today  
How nothing but our sadness can really pass away  
And think of her as living  
In the hearts of those she touched  
For nothing loved is ever lost-  
And she was loved so much.
