“ Karen,

*Thank you so much for teaching us to aim high. You worked hard and played hard. The many trips to VC, 12 inch Subs, Dot & Etta's, matching shoes with our outfits, and let's not forget, the Queen's perfume. We shared so many laughs. You left us far too soon, but our's is a friendship built to last. You will always be our hero.*

*We know your wish for us is sunshine and blue skies, and for that we are grateful.*

*Love forever,  
Alexis and Katrina*

“ Our precious Lord granted us life in his son Jesus. We have had the opportunity to share many days with each other. Now it is time to journey along God's path alone.

Thank you for all the great times and memories of joy you brought to us while dwelling here with us. On that morning in the hospital the Lord called you home to be with him. No more pain, no more suffering, no more sorrow because now we know the Masters Plan was for a much brighter tomorrow. The Lord Bless You and Keep You until we meet again. The Lord shined his face upon you in Love he called you his own and provided his protection of Love as he called you home.

Love You Forever  
Your Brother
