“ Our hearts go out to you in the loss of your mother and our dear member at Church Triumph Pontiac. May each new day begin with warm memories and peaceful moments. Let them be a source of consolation knowing others loved and cared for her. I will never forget her beautiful smile and how she in her own way passed out her "God Bless You" notes of inspiration. Sister Roxy captured so many photos and videos we wish we had to add to our national church history records. May you and your families happy memories bring comfort and joy throughout your times of sadness. With Triumphant Love, Mother Fidelia White, 7th Episcopal District, Triumph The Church and K.O.G.I.C.

“ To my sister in-law Edwina, my heart goes out to you because I know this pain I have already walk this road, because there is nothing like losing a mother, but just no that God is and will be your strength and comforter in this time of loss and he is the only one sis that can get you through this and he will give you the peace and comfort that only he can give us when going through. Me and your brother tiekey are here for you and call away. We are praying for you and we love you.
