“ *Kim,
I canâ??t comprehend just how sad you must feel for the loss of someone you love. This sorrowful time must still feel unreal and youâ??re looking for strength from above.
I hope, from my heart, that your pain will decrease, that your spirit will gain strength again,
And I pray that your faith will create inner peace and that God will send blessings.
Till then, if you need me to lighten your load, Iâ??m waiting to come to your aid. Just call on me, and Iâ??ll walk down that road, until the dark times start to fade.
Deep condolences*
