“ My prayers and deepest condolences to the Samples Family. Tina was my dear friend. We share many fond memories, We had many good times and no matter what she was going through her strong faith in God was her encouragement. She will be missed tremendously so I encourage the family to keep her memories close and she will never leave your heart. She fought the "good fight"! No more suffering and no more pain. Rest in sweet peace my friend.

“ *My deepest sympathy to the family of Katina Samples (Tina). My family grew up with Tina and her family on Reaburn st. We went to school together at McConnell Elementary, Eastern Jr High and Pontiac Central High. Tina always had a smile on her face and a twinkle in her eyes. She will be missed.*

God didn't promise you days without pain, laughter without sorrow, or sun without the rain, but He did promise you strength for the day, comfort for your tears, and light for the way. If God brings you to it, He will bring you through it.

May the constant love of caring friends soften your sadness, your cherished memories bring you moments of comfort and lasting peace surround your grieving heart.

*Much love to the family,

“ My condolences to the Samples' family. I met Tina in elementary school and spent nights at their home as a child. We also went to PCH together, everyone knew her to be a fun and loving person. I last saw Tina about 5 years ago, we did a quick catch-up, she was still the same funny lady. To the family, may God bless & give you the strength to get through this difficult time, enjoy the memories.
