“ *Keith was married to cousin Deborah. So I adapted a way to address him which was “hey, cousin in law”! We would laugh every time. He was funny and his laugh was that infectious. He will be truly missed.*

“ I will definitely miss you cousin but I will always have a part of you with me because you came all the way to Georgia and finished my basement. I offered you a bedroom on the middle floor but you said, "cuz just give me a couple of good blankets and I'm gonna sleep right down here so I can work anytime I get ready to". You did just that, the only problem was on your smoke break you had cigarette butts all over the ground at the basement door. So everytime I go in my basement I will think of you and say "thank you cuz" for helping in making my house a home! I love you funny cousin
