“ *Keith was a great guy. He had a very sharp wit, and often made me  
laugh. He was also highly intelligent and had vast knowledge of  
many diverse topics. He was also caring and thoughtful. Keith will  
be missed. Take care, my friend.*

“ I worked with Keith during his time at the Road Commission. My favorite memory of Keith was his stories he told. One day he was talking and I looked down and said, Keith you have 2 different shoes on. He couldn't believe it. That was a good laugh for both of us. My deepest and sincere condolences to the family. R.I.P. Keith.

I met Keith when we both worked at Blue Cross Blue Shield. I have such fond memories of him. I loved his quirky sense of humor. We would talk and laugh about everything and nothing at all. I am so sorry that he's gone.
