“ I want to express my sorrow over the loss of your loved one. Losing a loved one is something we all wish we never had to go through. Thankfully, within his word the Bible, God promises us that soon "death will be no more". He also gives us the hope of seeing our loved ones who have already fallen asleep in death (Revelation 21:3,4 John 5:28,29). Again my condolences

“ We send you our love, prayers and condolences. Words cannot possibly express the shock we feel at the transition of Keith. We have not really had time to process. I will personally miss our monthly conversations. He was truly a kind giving person to a fault. And will be remembered for having a open door to anyone. This year was a trying year for him but he kept the faith and faced his challenges. He had a love of God in spite of. During this period he had the opportunity to draw nigh to God, study the Word and became a better steward. He saw the miracle God in his healing. He smiled and laughed. He got to wear his "GATORS" again. To Mrs Irene please relish in the thought that Keith LOVED his mother. Believe that! To Kiki and the family you also were loved and you knew that by his actions. He was a great friend. I am sure today he standing before God with a big smile and GOLDEN GATORS! not made by hand. We Love Ya'll

Difficulties arise in the lives of us all. What is most important is dealing with the hard times, coping with the changes, and getting through to the other side where the storm, where the sun is still shining just for you.

It takes a strong person to deal with tough times and difficult choices. Nevertheless, you are a strong people. It takes courage. But you possess the inner courage to see you through. It takes being an active participant in your life. But you are in the driver's seat, and you can determine the direction you want tomorrow to go in.

Hang in there and take care to see that you do not lose sight of the one thing that is constant, beautiful, and true Keith Kunzel "Bos Scagg" Powell. Everything will be fine and it will turn out that way because of the special kind of person Keith Kunzel "Bos Scagg" Powell was.
