“ Kenn
On behalf of the NYFL (Northern Youth Football League) - we will miss you tremendously. To your family - we enjoyed Kenn so much, and if there is anything that we can do for you to help you through your time of grieving, feel free to contact us. This is a tough time for us all. "Kenny Mack" was such an influential member of the Pontiac community, especially with the boys and girls that were part of the Panthers organization. He was a voice of reason at the league, always reminding us of our true reason for being there - For the Kids. And Kenny was always there for those kids. Thank you Kenny Mack for the wonderful times, the gracious hosting and calm demeanor. We will miss you, but we know that in Heaven, you are looking down on your family, friends and kids, and will be up there coaching and mentoring the angels that love the game of football as much as you.

“ A good Man taken too young and far too soon...Kenny always made a point of talking to Hannah and Jimmy when the opportunity existed before or after games...He was a fierce competitor on the field and an even more fierce advocate of the youth in his community.

“ I thank GOD that he allowed my paths in life to meet Mack at an early age and have the pleasure of becoming a good friend and co-worker in this life. We shared some really good times, especially coaching the UAW Local 7 Women's Softball Team. I will cherish all of the laughs and cries we both shared at work, on the field, and just in conversations over the years. May GOD continue to Bless your family and give them the courage, patience, and wisdom to endure during this time! "Rest my friend in Peace"

“ Morning.. My name is Joe Traeye. I was one of the JV Football coaches with the Waterford Cosairs. I coached with Jay Bland. I met Mack about 6 yrs ago when both of my sons were involved with the league. I started coaching with the freshmen and moved up from there to JV. We never could beat the Chiefs.. they always kicked our butts !! Just couldnt quite figure out what to do against them. LOL.. But I guess I just wanted to pass on a thought that I truly am sorry for your lose. Mack was a GREAT man !! I am sorry that I could not attend services. I know that there will be a tremendous amount of people there giving talks and passing on great thoughts about Mack. Again.. he was a GREAT man and I am truly sorry for your lose.

“ Kenny, my brother, my friend, I will truly miss you, but you will always be with me in my heart. We share a special bond that can never be broken or eraced, and that bond is the love that created us both, handed to us from our mother and our papa and created by God. May you rest now in His care. You have fought the good fight, your battle is over and your new life is just beginning. God bless you! Love you always! Martie
