“ *Damn this is unreal smh.. I always had a good time with Kenny , I met him 32 yrs ago when I was a teen and we remained friends since. He would always fix on my cars through the years and always helped me or anyone I knew if anything was needed. He was one of the kindest men I have ever known . I will miss you Kenny so much , I know that we are not suppose to question the Lord but sometimes why ? , tell my Mom's, Pops and Sis I love them . Till we meet again I love you Kenny.*
