“ *I am so sorry to hear of Kenny's passing. I worked with him for nearly 40 years; there were a lot of good people we worked withover the years. He was one of the best. It was always a good day when working with Kenny. He was way too young to go; he must be needed elsewhere. My thoughts and prayers to the family. Santo Landa*

“ Kenny was my partner at the gas company many years ago. We worked together on many projects. I could count on him to have my back in tough situations and i had his as well. One of the greatest things about Kenny's character was his sense of humor. sometime we would be working in an excavated hole and he'd grab a shovel handle like a microphone and bust out in a chorus of "It's Growing" by the Temptations and we sing a duet. Kenny earned my respect early on because of his humor and his grate work ethic. for a couple of years we worked on a large pipeline project on M-59 from Waterford to White Lake. Several times we were able to have lunch at my house and my wife would fix us something. My oldest son was around two or three at the time and Kenny had lunch with me enough times that my son began to call him Uncle Kenny. I was blessed to have had him as a partner and to call him a friend. Dave Kirby

“ I am sorry for your loss. At such times words that truly comfort are hard to think of, the bible has these comforting words found at Philippians 4:6&7. The bible can be a source of comfort. May the family keep in mind that God the hearer of prayers (Palms 65:2) promise to help through these difficult times, if you turn to him in prayer.
