“ I've always had the honor to know such a caring, special individual, he's always been my uncle whether I'm right or wrong. He's never turned his back on me. He's always opened his heart & home to me & treated me as his niece. My greatest memory are the talks we use to have & bonding over eating ice cream lol. But I'll always miss him,he's a great man r.l.p uncle ken
