An angel was missing from heaven and shared her devine spirit with us earthlings. Her creator called and she answered the call...that's all. If you had the privilege of meeting or knowing this angelic being...consider yourself blessed so don't be depressed, let's just honor her call as we will our own someday. Shalom...glad to have known you Angel. May God rest your soul.

“ I came to know and love Keona during a business opportunity we were in together quickly grew fond of her, since then we grew a beautiful bond as sisters in Christ. I will miss her beautiful posts and her sweet voice and contagious laugh. She was beautiful inside and out.

For her birthday my kids and I sang for her and I will never forget the laugh in her voice when she said " I'm over here clapping and dancing on my birthday lol":

I will miss you !!
