“ *To the Matthews Family,*

I had the pleasure of working with Kristopher since 2020. His dedication and passion for his job was eclipsed only by the fondness and warm stories that he shared about his family. He will be truly missed, and had such a positive impact on numerous people. I would like to express my deepest condolences for his passing. Your family and loved ones are in my thoughts and prayers.

“ I was Kris’s first line manager for over 10 years. I had the pleasure of working day to day with him as he always talked fondly of his family. He always talked about coaching his kids in whatever sports they were in. Kris’s main sport was golf. He could not wait until the weather broke each year to be on the golf course. He spoke lovingly of his wife who is an amazing teacher. Kris will be missed wholeheartedly, however his spirit lives on in his beautiful family. My deepest condolences to the family and to Kris rest with the Lord.

“ Rest in Paradise to Kris Matthews one of my Army/Artillery brothers. We came up together in the Army. Matt used to run with me in basic training to help me pass my final physical fitness test. A test that if I did not pass, would've ended my Army career before it even started. I was also his barber the first three years we were in the Army together. And it breaks my heart to see the last photo he posted and his favebook profile was a picture of us in basic training. You will be missed my brother.
