“ Wow, I'm just finding out you passed. You was my roommate in Korea when I was in Army. You loved to play pranks on me. I wish I had known you were a great friend to me. I know we kinda lost touch and didn't talk that much, but the times we did was always full of laughter. Good bye my friend, I love you and rest in peace.

Keith I just saw her obituary and your thank you note. You don't need to thank me. It's the least I could do for Krystal. I wanted to show you the small garden we have at Norris for people who have passed. You can tell Krystal was loved here

ystal has a truly beautiful soul, kind hearted, generous beyond measure and full of love. She had a way of making everyone feel heard, seen and valued. Her kindness and love wasn't just words but in every small act of thoughtfulness she shared. She gave without expecting in return all who needed her and not just to her family and friends but to anyone lucky enough to cross her path and this is all facts
