Love you. I'll miss you. Your laugh,crazy antics. And definitely your jokes. Your humor came at times when it was desperately needed. I pray God accepts you to his table. So you can share your gift of laughter. I love you so much. Until we meet again .

*“ Cheryl, Toya and Family:
Words cannot begin to express the depth of sadness that I felt when I learned of Kisha's passing; a beautiful young lady that I have known since she was a tiny baby. She always treated me with such respect and always showed me much love. Cheryl, you are one of my oldest and dearest friends and my entire family are praying for you and Toya. Please know that you have my family's sincerest condolences during this difficult hour of bereavement. May God give you the strength you need during your hour of bereavement. Kisha may be gone, but she will never, ever be forgotten. She will always be loved by me and my family and will always hold a place in my heart. Rest in Heaven, Kisha.
