“ *"To be absent from the body is to be present with the Lord" To Michael Williams and the entire Williams family, my heart goes out to you every single day. I pray for you all EVERY SINGLE DAY! I lit a purple candle for "ROYALTY" because that's what Shaun (my baby momma) was... "ROYALTY"!!! I'm still in disbelief, but I know God has a better plan! For weeping may endure for a night but joy comes in the morning light. Keep your heads up and if there's anything you need I'm here! I love you all.... hugs and kisses... The Love Ramsey Family*

“ *My deepest sympathy to the Williams Family. Heaven truly gained an angel this week. The community has lost one of the most loving, kindest and truly sweet women in the city. LaShaunda Parker Williams is what young ladies should inspire to be. I've had the pleasure of knowing Shawn since she was 10 years old. No matter what she was going through she was always positive, pleasant and concerned about others. The love she had for Michael and her sons was beyond imaginable. My heart goes out for the entire family. RIH baby girl. Forever in our hearts.*

“ Shaun as I sit here I'm thinking back on our long talks. I can even hear you say SueSue go to the doctors or even hearing you say what those boys doing. I have memories that I will cherish forever. Sis i will continue to watch over the boys. They know they can call and i will be there because that's what you and i talked about. Shaun i miss you so much. I cant say you left too soon because i never knew your date. God had other plans for you in Heaven. You will forever be young. If I could get one more phone call I would say "Dont Leave" Shaun you were Loved tremendously on earth but much more in Heaven. You touched the hem of his garment, you kneeled before the King. When my time come i will join you. Rest on Sis.
