“ To the family of Latasha, please accept my sincere condolences for the loss of your dear loved one. Even though I was not personally acquainted with Latasha, I do know the pain of losing a loved one, especially one so young. What helped me through a dark and painful time was the encouraging words from others and God's word the Bible. God never intended for us to experience death and promises to remove all death and pain. (1Cor 15:26) (Rev.21:3,4). Please find comfort in God's word the Bible and visit www.jw.org for further encouraging Scriptures.

“ To the Family of Latasha Burkett,
During this time of difficulty, may you find comfort by considering the finest basis of encouragement, God's word the Bible. May you find comfort by considering Ps. 146:5,9 where God shows loving concern for bereaved ones. Additionally 2 Cor. 1:3,4 truly shows that Jehovah is "the God of comfort, who comforts us in all our tribulations."

“ *Latasha,*

It has been a pleasure and an honor to have been a part of your life. This is my third year with you in my class. In all my years of teaching, it is rare indeed to come across such a determined young lady. Despite all the obstacles you faced, you continued to do your best to keep up with all your work. I truly admire your fortitude and tenacious spirit. We will all miss you very much.

To Mr. & Mrs. Milton Burkett ,

Rest assured that you did all you could for Latasha. She knew how much you cared about her. The love was evident whenever you were with her. Tosh shared many times how very much she loved you and how grateful she was to have had you as her grandparents.
