“ *Gosh this is still so unreal to me. Lord please keep bubble under wings and show him the way bubbie is a very quiet man (shy) but hes not afraid to open up. I keep saying in my head that I wish I could did something to have saved his life but I guess god needed him more and sooner then we thought. We all love and adore our bubbie while he was with us and I thanks for all the good times we had but until we meet again we will keep u alive in our hearts. Love u bubbie and u shall NEVER be forgot.*
