“ I did not know until today, my niece Laverne had passed away
I send my condolences to the sisters and brothers of my family
With heart felt sincere love to all from me

*I wish, if I had known I would have been
There to share love and support to my family and friends
I remember the days back when, we were all one next of kin
Now as the curtain of our lives and family slowly close
Memories are so precious, to the heart and soul*

*Someday in a time and place we have only heard about
A family reunion is forthcoming with waves shout and smiles
The time is near, very soon
When God calls, the tired, sick, weary and sometime just choose
me or you*

*Regretfully we never found the time to share
The same stage of life in which the Lord had prepared
Yet somehow some way I truly believe
You know my heart today for you grieve*

Heart felt sorrow and Love to my family at this time
