“ Rest in Heaven. I remember Lee when he would come in to CNS he would say, Hey babygirl how you doing??? I said good. Then he would say can you help me out. With a smile I said here you go. Then he smiled. He always had my back if he seen anyone try to start stuff. He was always there ready and willing to help and if that's what made him happy then I was good with that. God has you now, rest peacefully.

“ He knew he could always hit me up for spare change. I would see him near the Riker Building almost every day
When my work schedule changed I didn't seem for several months, I saw him downtown. He gave me that stern look and said "Babe it's been a long time. You owe me some folding money now." YEP I gave him a \$5 bill. He gave me that Charlie Brown grin and we were all good
RIP Charlie

“ To the Family of Charles as I called him. I was blessed to attend PCH with him. He had a great sense of humor, handsome & dressed well. I was told by a close friend that Charles could sing & was known for singing with other guys in the projects. I was saddened when Charles got sick. However, his illness didn't stop him from walking the streets of Pontiac. I will miss my classmate. May God bless his family & friends. RIH until we meet again.

“ Yall may not even believe this but I was just thinking about the fun memories yesterday of my friend Mr. Charlie Brown. I learned so much from my friend. I use to work in Downtown Pontiac and my friend and I would regularly just talk. Once he discribed his life experenced to me and I will attempt recite him.

"Man you know I have been walking up and down these streets for along time. Now I know I am not totally well and I know I am a nuisance to a lot of folks".. "Man a relative who was helping with my medication has died, Man sometimes I feel so all alone, but I know GOD is watching over me. You see I am out in these streets day and night; trouble don't even have to look for me; trouble can hear me coming down the road" "GOD has lookin out for me night and day for a long time" "Ya for a long time"

Rest in peace my true genuine friend. I personally have only had a few of truly genuine people in my and I thank GOD for the time He allowed me to share with you.

I've had the opportunity to know Charles ever since we were kids. I Nick named him "Two Dollars" He use to come up to my job in the 70's wanting to borrow money! If I had it, I always gave it to him. Charles was my friend throughout the years. Although I live far away now, Pontiac will not be the same without Charles Brown! R.I. P.

“ *I'll never forget him hanging out with me at work, I worked at KFC on Huron and Williams street about 22 years ago. It was always a pleasure to see him come through the doors and smile and try to sweet talk me for coffee..even though I was going to give it to him anyway :-)* Years later I would see him walking around and either stop and talk to him or wave in passing and he still had the same smile and charm. Even if he was in a bad mood, I'd still manage to make him smile and through his hand at me. Rest in Peace Charlie, You have earned your wings!
