“Missing you as you celebrate your ninth anniversary in Heaven.  
You'll always be in my heart...

### *Quiet Strength*

*I'll always carry you in my heart  
Your smile, your laughter will never depart.*

*Your quiet strength has taught me much  
And your style, sweet charm and brotherly touch.*

*For a moment, I feared it had come to an end  
But you can never really lose a brother, a hero, a friend.*

*Moments, memories... joys of the past  
These blessings from God will always last.*

*I wish, dear brother, there had been time for a few more  
But I'm excited for you and what Heaven has in store.*

*For I want for you the very best  
Joy, peace, love and eternal happiness.*

*Thank you, big brother, for showing that you cared  
Thank you for the times when you were simply there.*

*You are deeply loved and already deeply missed  
All my love, hugs & kisses, your forever little sis.*
