I thank God for the life shared with my father-in-Law, Mr. Addison always was kind and very pleasant to me. Me and his son would ask him on certain holidays to make us one of his specialty was banana pudding. I most say it was the best I've taste in years, I'm going to miss him and his banana pudding, but he left the recipe to my husband. Mr. Addison we're going to truly miss you, but God called you home to be with him in paradise. Love you and tell my mom I said Hello. Regina Addison

“ *To the Addison Family:*

I was sorry to hear about the passing of your loved one. Death is liken to a thief that comes and takes away our love ones. Or due to old age and sickness we lose that precious quality of life that leads to death.

However, have you ever asked: Is death the end of it all? Or is there something else after death? The bible clears up any question we might have about death. It also shows that there is a real hope for persons who have faith.

*Yours truly,
Patricia*
