“ Lenny was Robert Villabol best friend. They spent much time fishing together. They are both now at peace, unfortunately much to young. May your family find solace in the fact that you are no longer suffering and missing the people that have made this journey before you. May God have mercy on your soul. You did make a difference in people's lives.

“ Dad you will be missed immensely. I am at a loss with you being gone. It thought you would be here forever. I have so many great memories of you. I loved when you took me hunting with you behind the church on Kenneth. I loved when you took me fishing. Walking to Figis and you were so much taller than me I couldn't keep up. I know one thing that you loved me with all your heart and I made you proud. And I loved you with all my heart and even though I didn't say it much I was proud to be your daughter. Rest peacefully Daddy I will see you again one day.
