“ To my uncle Leonard, u will definitely be missed. Everytime I saw u. U always would have funny stuff to say to me. I would always expect that out of u. I remember when I was younger we all used to go to the park and watch everybody play basebal. And have alot fun. I missed them times when our family's got together like that. I wished our family stayed closer over the years. But the memories I have will always stay with me in my heart and my thoughts. Luv u very much uncle Leonard. U will never be forgotten. ❤️❤️❤️🙏🙏🙏🙏 may u rest in Paradise. And be reunited with ur kids and others that passed on. Tell everybody I luv them and miss all them very much.
