“ *She was always a sweetheart and she had the most boisterous laugh. I loved to hear her laugh. I loved to make her laugh. We used to crack up oftentimes to the shagrin of peers and teachers. Rest well. The world is less bright without you.*

“ *I have fond memories of playing with Lesha in Charles Lane. We used to go roller skating at Skate Land North....she was super fast on her wheels, like a roaring train coming through and never feared falling. She had sooooo much energy....enough for me and all our peers in Charles Lane! Although I haven't seen her since our elementary days, I'm really saddened by this news. Sending hugs to her family.*

“ To my cousin Lesha, it seems like just yesterday that we were sitting outside the skating rink talking about life, and children. Of course, time has passed so quickly and those children are now grown. And they have been for many years. I will miss you RIP. Love always Cousin
